FORM OF ORDER FOR POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining or protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said company dated the 17th day of February, 1922

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked #722-Chlms. Proposed pole locations of N. E. T. and T. Co. of Mass. Dated 2-16-22

to be filed with this order. There may be attached to said poles not to exceed 5 paired wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

3

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this grant:

Old Westford Road from Pole #18 , southerly, 3 locations

Petition of

The New England Telephone and Telegraph Company of Massachusetts for Pole and Wire Locations.

To the Board of Selectmen of the Town of Chelmsford, Massachusetts:

Respectfully represents The New England Telephone and Telegraph Company of Massachusetts that it desires to construct a line of poles, wires and fixtures, including the necessary sustaining and protecting fixtures, along and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it may be granted a location for and permission to erect and maintain poles and wires, together with such sustaining or protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked #102-Chlms. Proposed pole locations of N. E. T. and T. Co. of Mass. Dated 2-8-23

Your petitioner agrees to reserve space for one cross-arm at a suitable point on said poles for the telephone, fire and police signal wires owned by the town, and used for municipal purposes.

The following are the streets and highways above referred to:

Wilson Road from Chelmsford Street to Billerica Road, 4 locations

Poles to carry 12 open or 6 paired wires each at a height of not less than 18 ft.

Petition of The Lowell Electric Light Corporation to Attach its Wires and Fixtures to the Existing Poles of The Lowell Electric Light Corporation & the New England Telephone & Telegraph **Company.**

LOWELL, MASSACHUSETTS, February 12, 1923 .

TO THE BOARD OF SELECTMEN OF THE TOWN OF Chelmsford, MASSACHUSETTS:

Respectfully represents The Lowell Electric Light Corporation that The Lowell Electric Light Corporation and the New England Telephone & Telegraph Company has heretofore received locations for and has erected a line of poles along and across the public way or ways hereinafter named, and that it is desirable that the wires and fixtures of said The Lowell Electric Light Corporation be attached to said poles.

Wherefore your petitioner prays that without notice or hearing it may be granted permission to attach its wires and fixtures to said existing poles of said L.E.L. Corp. & N.E.T. Company shown upon the plan hereto attached marked "C-2965", and said L.E.L. Corp. and N.E.T. Company, owners of said poles, hereby assents to and joins in the petition aforesaid.

The following are the streets and highways above referred to:

Billerica Ave., Chelmsford, 10 single wire attachments to one unnumbered PLT pole.

FORM OF ORDER FOR POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining or protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said company dated the 21st day of March, 1923

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked #103-Chelmsford-Proposed pole locations of N.E.T. and T. Co. of Mass. Dated 3-21-23

11

to be filed with this order. There may be attached to said poles not to exceed 5 paired wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this grant:

Adams Street from Sherman Court, northerly, 2 locations

Petition of

The New England Telephone and Telegraph Company of Massachusetts for Pole and Wire Locations.

TO THE BOARD OF SELECTMEN OF THE TOWN OF Chelmsford, MASSACHUSETTS:

Respectfully represents The New England Telephone and Telegraph Company of Massachusetts that it desires to construct a line of poles, wires and fixtures, including the necessary sustaining and protecting fixtures, along and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it may be granted a location for and permission to erect and maintain poles and wires, together with such sustaining or protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked #103-Chelmsford-Proposed pole locations of N.E.T. and T. Co. of Mass. Dated 3-21-23

Your petitioner agrees to reserve space for one cross-arm at a suitable point on said poles for the telephone, fire and police signal wires owned by the town, and used for municipal purposes.

The following are the streets and highways above referred to:

Adams Street from Sherman Court , northerly, 2 locations

Petition of The Lowell Electric Light Corporation to Attach its Wires and Fixtures to the Existing Poles of the Lowell & Fitchburg Street Railway **Company.**

LOWELL, MASSACHUSETTS, May 2, 1923.

TO THE BOARD OF SELECTMEN OF THE TOWN OF Chelmsford MASSACHUSETTS:

Respectfully represents The Lowell Electric Light Corporation that the Lowell & Fitchburg Street Railway Company has heretofore received locations for and has erected a line of poles along and across the public way or ways hereinafter named, and that it is desirable that the wires and fixtures of said The Lowell Electric Light Corporation be attached to said poles.

Wherefore your petitioner prays that without notice or hearing it may be granted permission to attach its wires and fixtures to said existing poles of said L. & F. St. Ry. Company shown upon the plan hereto attached marked "C-3026", and said L. & F. St. Ry. Company, owners of said poles, hereby assents to and joins in the petition aforesaid.

The following are the streets and highways above referred to:

Groton Road, North Chelmsford, 10 single wire attachments to one PF pole #11 and one L & F pole #13.

FORM OF ORDER FOR WIRE ATTACHMENTS

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures, together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the Lowell Electric Light Corporation ~~Company~~ heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "C-3086" to be filed with this order, as requested in petition of said The Lowell Electric Light Corporation and the said Lowell Electric Light Corporation ~~Company~~ dated the 25th day of June, 1923.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed ten (10) single wire attachments and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

Wright Street, North Chelms., 10 single wire attachments to each of three (3) LEL poles unnumbered.

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of Chelmsford, Massachusetts, held on the June day of 30, 1923

Petition of The Lowell Electric Light Corporation to Attach its Wires and Fixtures to the Existing Poles of the New England Telephone & Telegraph Company.

LOWELL, MASSACHUSETTS, July 19, 1923.

TO THE BOARD OF SELECTMEN OF THE TOWN OF Chelmsford, MASSACHUSETTS:

Respectfully represents The Lowell Electric Light Corporation that the New England Telephone & Telegraph Company has heretofore received locations for and has erected a line of poles along and across the public way or ways hereinafter named, and that it is desirable that the wires and fixtures of said The Lowell Electric Light Corporation be attached to said poles.

Wherefore your petitioner prays that without notice or hearing it may be granted permission to attach its wires and fixtures to said existing poles of said N.E.T. & T. Company shown upon the plan hereto attached marked "C-3108", and said N.E.T. & T. Company, owners of said poles, hereby assents to and joins in the petition aforesaid.

The following are the streets and highways above referred to:

Wright Street, Chelmsford, 10 single wire attachments to each of three unnumbered NET poles.

FORM OF ORDER FOR POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining or protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said company dated the 17th day of August, 1923.

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked #810-Chelmsford-Proposed pole locations of N.E.T. and T. Co. of Mass. Dated 8-15-23

to be filed with this order. There may be attached to said poles not to exceed 5 prd wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this grant:

Princeton Boulevard from Centre Street, easterly - 10 pole locations

Mass. Form 7

I hereby certify that the foregoing order was adopted at a meeting of the Board of Selectmen of the Town of Chelmsford, Massachusetts, held on the 1 day of Mar, 1923

Harold C Bettuss
Clerk of Selectmen.

Chelmsford, Massachusetts. Mar 1, 1923

Received and entered in the records of location orders of the Town of Chelmsford, Book 4, Page 112

ATTEST:

Harold C Bettuss
Town Clerk.

I hereby certify that on Mar 1, 1923, at 7 o'clock P. M., at Chelmsford Center, a public hearing was held on the petition of The New England Telephone and Telegraph Company of Massachusetts for permission to erect the poles, wires and fixtures described in the order herewith recorded, and that we mailed at least seven days before said hearing a written notice of the time and place of said hearing to each of the owners of real estate (as determined by the last preceding assessment for taxation) along the ways or parts of ways upon which the company is permitted to erect poles, wires and fixtures under said order. And that thereupon said order was duly adopted.

Harold C. Bettuss
for Selectmen

I hereby certify that the foregoing is a true copy of a location order and certificate of hearing with notice, adopted by the Board of Selectmen of the Town of Chelmsford, Massachusetts, on the Mar 1 day of , 1923, and recorded with the records of location orders of said Town, Book 4, Page 112 This certified copy is made under the provisions of Chapter 509, of the Acts of 1911, and any additions thereto or amendments thereof.

Petition of

The New England Telephone and Telegraph Company of Massachusetts for Pole and Wire Locations.

To the Board of Selectmen of the Town of Chelmsford, Massachusetts:

Respectfully represents The New England Telephone and Telegraph Company of Massachusetts that it desires to construct a line of poles, wires and fixtures, including the necessary sustaining and protecting fixtures, along and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it may be granted a location for and permission to erect and maintain poles and wires, together with such sustaining or protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked #810-Chelmsford-Proposed pole locations of N. E. T. and T. Co. of Mass. Dated 8-15-23

Your petitioner agrees to reserve space for one cross-arm at a suitable point on said poles for the telephone, fire and police signal wires owned by the town, and used for municipal purposes.

The following are the streets and highways above referred to:

Princeton Boulevard from Centre Street, easterly - 10 pole locations

Poles to carry 5 prd wires each at a height of not less than 18 ft.

The Lowell Electric Light Corporation.
Form ED-28

To serve Charles Pinel, Sherman St., N. Chelms. S.I. #4902.

Town of Chelmsford, *Massachusetts*

IN BOARD OF SELECTMEN,

October 26, 1923.

ORDERED: Notice having been given and a public hearing held as provided by law, that the Lowell Electric Light Corporation be and is hereby granted locations for and permission to erect and maintain poles, with the necessary wires and fixtures thereon, in certain public ways in said town as requested in its Petition dated October 26, 1923, viz.: one (1) poles and ten single wires upon and along Sherman St. between corner Adams Street. ~~and ; also poles and wires upon and between and ; also poles and wires upon and~~

113

said poles to be of chestnut, or some other suitable material, and located as shown on a map or plan marked "C-1074" ", on file with said Petition; the wires on said poles to run not less than 18 feet from the ground at any point.

Said poles and wires shall be erected and maintained subject to the following further specifications, viz:

CERTIFICATE.

We hereby certify that the foregoing Order was adopted after due notice and a public hearing, as prescribed by chapter 509, of the Acts of 1911; to wit, after written notice of the time and place of the hearing, mailed at least seven days prior to the date of the hearing, by the selectmen to all owners of real estate abutting upon that part of the way or ways upon, along, across or under which the line is to be constructed under said Order, as determined by the last preceding assessment for taxation, and a public hearing held on the 1 day of Jan 1923, at Chelmsford Town Hall in said town.

Signatures of Selectmen:

Harold C Pettinen
for selectmen

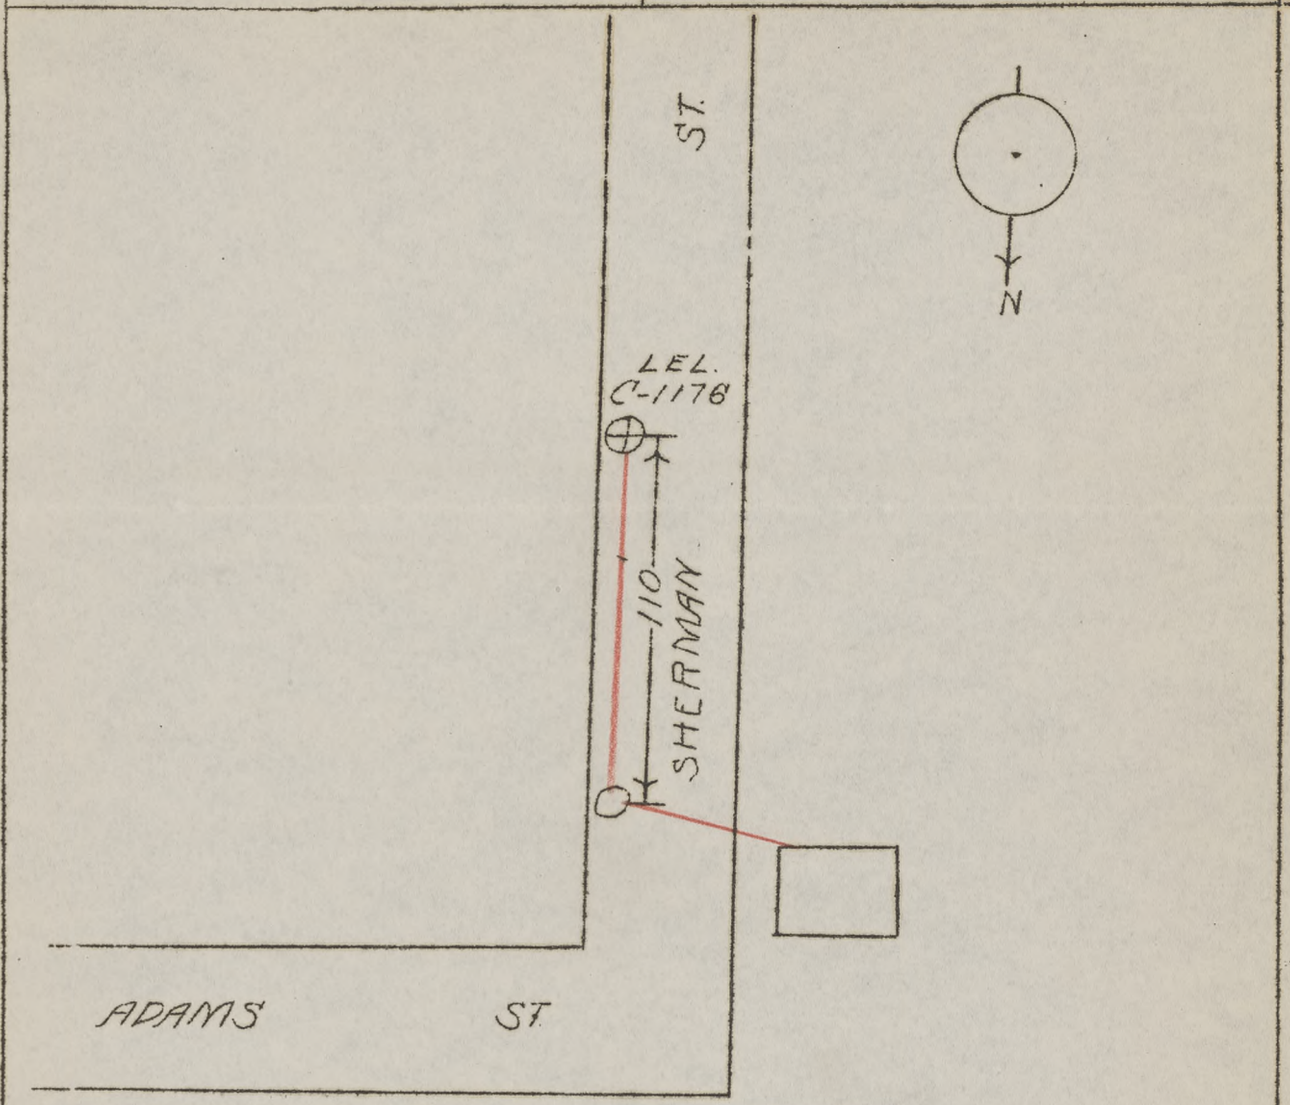

CERTIFICATE.

I hereby certify that the foregoing is a true copy of the Order of the Board of Selectmen of the town of Chelmsford duly adopted on the 1 day of Jan. 1923, and of the Certificate of notice and hearing thereon required by Chapter 509 of the Acts of 1911, as the same appear of record.

Form E D-27

11811

Petition of The Lowell Electric Light Corporation to Attach its Wires and Fixtures to the Existing Poles of the New England Telephone & Telegraph **Company.**

LOWELL, MASSACHUSETTS, November 13, 1923.

TO THE BOARD OF SELECTMEN OF THE TOWN OF Chelmsford, MASSACHUSETTS:

Respectfully represents The Lowell Electric Light Corporation that the New England Telephone & Telegraph Company has heretofore received locations for and has erected a line of poles along and across the public way or ways hereinafter named, and that it is desirable that the wires and fixtures of said The Lowell Electric Light Corporation be attached to said poles.

Wherefore your petitioner prays that without notice or hearing it may be granted permission to attach its wires and fixtures to said existing poles of said N.E.T. & T. Company shown upon the plan hereto attached marked "C-3254", and said N.E.T. & T. Company, owners of said poles, hereby assents to and joins in the petition aforesaid.

The following are the streets and highways above referred to:

Lowell Road, Chelmsford, ten single wire attachments to one unnumbered NET pole. P.S

FORM OF ORDER FOR WIRE ATTACHMENTS

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the New England Telephone & Telegraph Company heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "C-3235" to be filled with this order, as requested in petition of said The Lowell Electric Light Corporation and the said N.E.T. & T. Company dated the 2nd day of November, 1923.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed ten single wires and all of said shall be placed at a height of not less than 18 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

FORM OF ORDER FOR POLE LOCATIONS.

IN BOARD OF SELECTMEN FOR THE TOWN OF Chelmsford, MASSACHUSETTS:

ORDERED:

Notice having been given and a public hearing held as provided by law, that The New England Telephone and Telegraph Company of Massachusetts be and it is hereby granted a location for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining or protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said company dated the 23rd day of November, 1923

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonably straight, and shall be set substantially at the points indicated upon the plan marked #106-Chelmsford-Proposed pole locations of N.E.T. and T. Co. of Mass. Dated 11-15-23

to be filed with this order. There may be attached to said poles not to exceed 5 paired wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the public ways or parts of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this grant:

.Westford Road from end of present line to residence of Dr.Varney

Petition of

The New England Telephone and Telegraph Company of Massachusetts for Pole and Wire Locations.

To the Board of Selectmen of the Town of Chelmsford, Massachusetts:

Respectfully represents The New England Telephone and Telegraph Company of Massachusetts that it desires to construct a line of poles, wires and fixtures, including the necessary sustaining and protecting fixtures, along and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it may be granted a location for and permission to erect and maintain poles and wires, together with such sustaining or protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked #106-Chelmsford-Proposed pole locations of N.E.T. and T. Co. of Mass. Dated 11-15-23

Your petitioner agrees to reserve space for one cross-arm at a suitable point on said poles for the telephone, fire and police signal wires owned by the town, and used for municipal purposes.

The following are the streets and highways above referred to:

Westford Road from end of present line to residence of Dr.Varney, 10 pole locations

Poles to carry 5 paired wires each at a height of not less than 18 ft.

In Board of Selectmen for the Town of Chelmsford, Massachusetts:

ORDERED:

That The Lowell Electric Light Corporation be and it is hereby granted permission to erect and maintain wires and fixtures together with such sustaining or protecting fixtures as it may deem necessary, upon poles of the New England Telephone & Telegraph Company heretofore located in the public way or ways hereinafter referred to and shown upon plan marked "C-3281" to be filled with this order, as requested in petition of said The Lowell Electric Light Corporation and the said N.E.T. & T. Company dated the 28th day of November, 1923.

There may be attached to said poles by said The Lowell Electric Light Corporation not to exceed ten single wires and all of said wires shall be placed at a height of not less than 18 feet from the ground.

The following are the ways or parts of ways along which the poles above referred to have been erected, and the number of poles to which attachments may be made under this grant.

Newfield Street, ten single wire attachments to one unnumbered NET pole.
